

Welcome! If you've come along for the first time we hope you feel at home with us. Please stay behind for tea and coffee after the service.

We have a Sunday Club today from about half way through the service for young people up to around 4th year. All children should sign in at cafe area before the service.

We've a crèche available in the café area during the service for small children. In order to prevent disturbance in the main service please can we encourage adults in the crèche to keep their voices down!

We are looking to start a new day time Home Group. If you would be interested in coming along to this then please let Andrew know.

Funday Sunday meets this afternoon from 2 till 4 and is a group for kids with additional support needs, their siblings and families - providing a safe place for them to play and socialise.

**If you're along for the first time and would like to know more about the church or be kept up to date with what is going on then please fill in a Connection Form at the Church Notice board or speak to one of the welcome team**

Please pray for the team, the 120 children who'll attend and the preparations for the week. Most of all please pray that God will be at work in the lives of team and children that week. Thanks for all!

## Annexe Pledge Forms

We are looking to make progress with the Annexe over the next few months and as part of that we are asking folks to consider making pledges towards the project.

A paper giving details about the project are available in the café area along with Pledge forms. (They are also available online)

Pledge forms should be returned by the 18th June and can be placed in the offering basket.

If you have any questions about the project then please speak to Ross Thomson or Russel McPhate.

## Creche Matters

Our much appreciated creche rota volunteers have been finding it difficult on some weeks recently to feel that they are on top of keeping an eye on every child in the creche. One of the reasons for this is an increasing number of parents staying out in the café during the service. We would encourage you to leave your baby or child solely in our care so you can return to the teaching part of the service. We realise this is not possible for every child but please be assured that we will alert you if your child becomes unsettled.

## Prayer Pointers

- Pray for the outreach and discipleship team that meets tomorrow evening and looks at how we might grow in our faith and share the Good News of Jesus with our community.
- Give thanks for Funday Sunday and the families that attend every fortnight . Pray that it would continue to be a place of support, friendship and fun.
- Pray for the annexe project as we begin to seek pledges and look to make progress with funding over the next few months.
- Pray for Christians who are in positions of authority in areas such as politics, public services, the media, education and health. Ask Him to strengthen and inspire them to hold fast to their faith and to be effective light and salt in their work and relationships.
- Give thanks for the folks who serve in the Café each week. Pray for them this week as they seek to make the café a place of welcome in the name of Christ Jesus.
- *Father, please protect Your people living and working in countries that are hostile to Christianity and provide opportunities to witness for You in word and deed. We also pray for those serving in refugee camps and with other groups in desperate need to know Your strength and peace. Amen.*
