There is no such thing as an ordinary day for a Christian.

With Christ, every day, every task, every situation,
every relationship brims with divine possibility: God is
always at work in our lives. But can we see it?

Here are 8 true stories of how God is at work in every
day situations and tasks—in the lives of a mum, hair-
dresser, policeman, student, retiree, banker and
trainer.

It helps us to see how God can and has been working in our lives and encourages
us to tell other people about the wondrous things God has done in and through
us.
